

Rose-Hulman Dining Meal Plans 2017-2018

Overview

All students living in a Rose-Hulman Residence Hall are enrolled in a Residence Hall Meal Plan. All Freshman are required to take the Freshman 18 Plan. Upperclassman are required to take one of the plans offered below.

The 18 meal plan includes meal swipes as well as DB Flex Dollars that can be utilized at certain locations (see below for further details). A meal or card swipe ("swipe") is an all-you-care-to-eat (AYCTE) meal at the Vonderschmitt Cafe during normal operating hours. DB Flex Dollars can be used at any of the retail locations including Subway, Moench Café, and other late night dining locations. You may also add funds to your account if you run low.

The Upperclassman block plans allow for the swipe to be used at any meal at the Vonderschmitt Café. The block plans also allow for the swipe to be used for a meal equivalence for lunch or dinner at Subway or in Chauncey's. Specific meal alternative information is available at each location and on the Café Bon Appetit Rose-Hulman Dining website. Meal swipes are deposited onto cards at the start of every quarter, and do not roll over from quarter to quarter.

Please see the [Café Bon Appetit Rose-Hulman Dining website](#) for individual dining location hours.

- Meal swipe alternatives at Subway or Chauncey's can be used for lunch, and for dinner.
